Vocabulary

For each specialist word used
(Tier 3)

(Hint – Keep a tally)

NUMERACY4ALL WRITING WEIGH-IN

Your assignment needs
to weigh _____.

Add weight to your assignment
by including aspects of the
heaviest categories within your
writing. Once your assignment
is completed, total the weight.

Your total should be greater
than, or equal to, the
minimum weight set by your
teacher.
In your second draft, use the
mat to help bulk up the weight.
